

CSR ACTIVITIES OF FINE ORGANIC INDUSTRIES LIMITED

*Projects on
Healthcare*

SRI CHAITANYA HEALTH AND CARE TRUST

- With the support of the trust, Fine Organics assisted needy cancer patients in their treatment.
- As part of this initiative, we also ensured that the relatives accompanying the patients received complimentary daily meals throughout their hospital stay.
- Around 30 needy patients have been surgically operated.

ACTION RESEARCH COMMUNITY HEALTH & DEVELOPMENT

Delivering healthcare services to benefit the tribal population by addressing non-communicable diseases such as diabetes and high blood pressure.

Approx. 1000+ needy patients will be benefited.

SUHIT JEEVAN TRUST

We supported the trust for the enhancement of floor development, creating additional space for activities aimed at meeting the needs of specially challenged students.

Approx. 150+ students will be benefited.

GIRIJA WELFARE ASSOCIATION

Providing full-time residential facilities to approximately over 160 elderly beneficiaries at a Welfare Home for Senior Citizens.

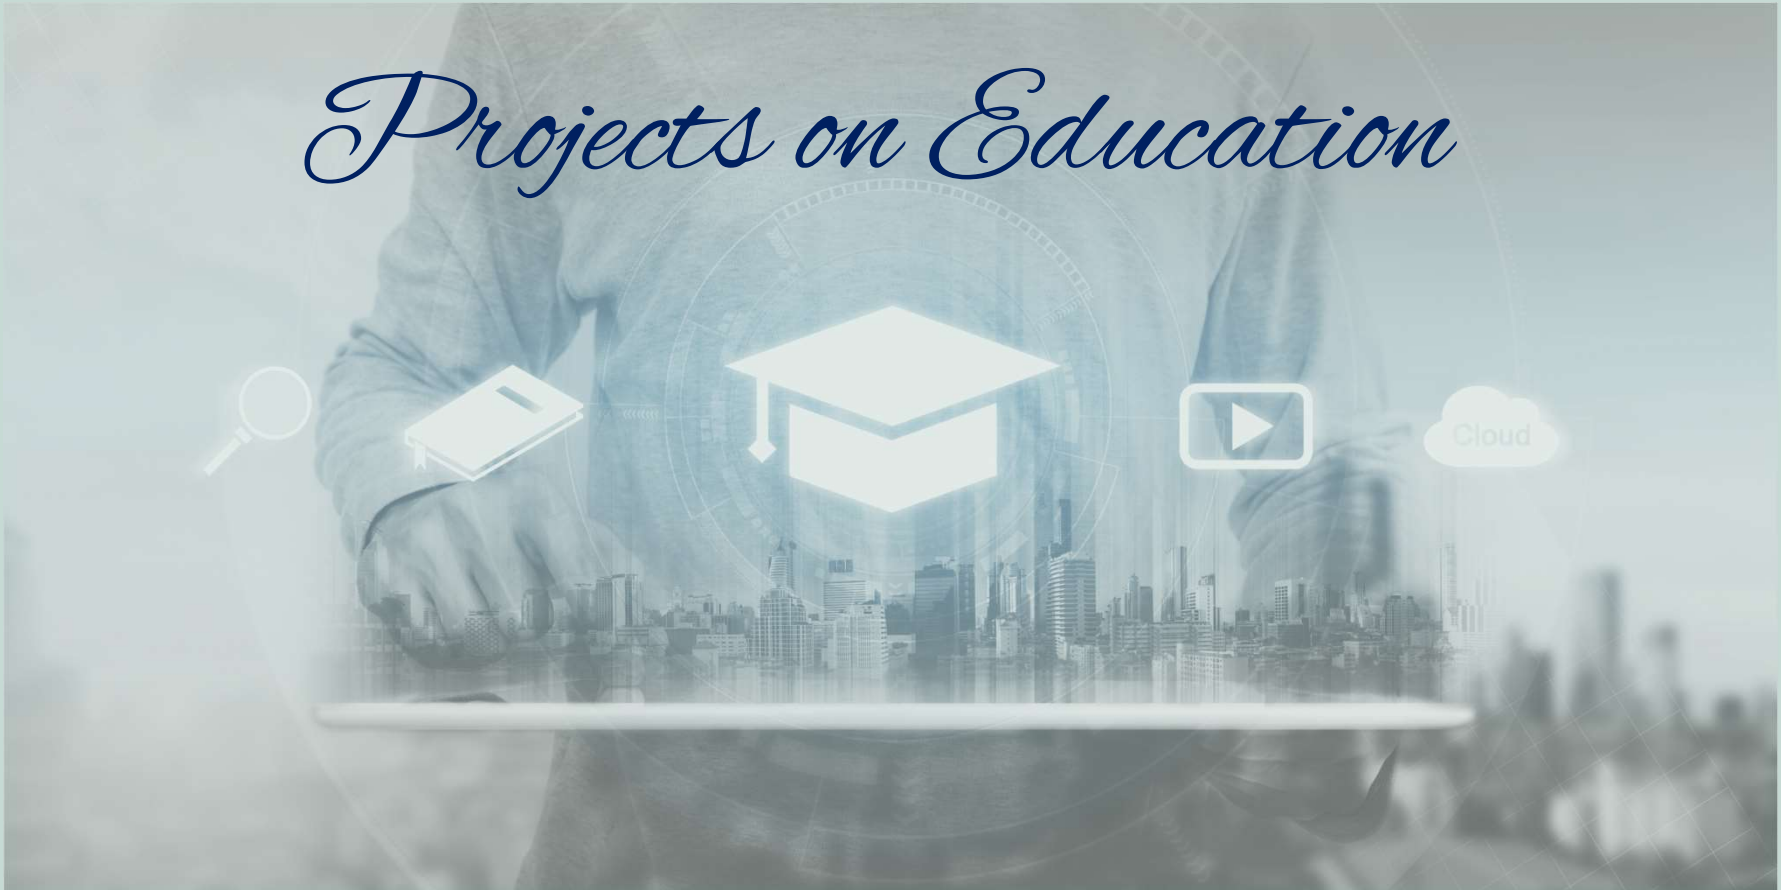

GHATKOPAR BRAHMAN SAMAJ

Fine Organics has been supporting the occupational center, which provides education and training to needy and underprivileged children with hearing impairments, learning disabilities, intellectual challenges, cerebral palsy, and ensures easy access to affordable medical facilities.

Approximately befitting 700+ needy children.

Projects on Education

VIDYARTHI SAHAYAK SAMITI

Sponsoring the trust for the construction of five residential hostel rooms to accommodate financially disadvantaged female students pursuing higher education and graduate studies.

10+ needy girl students will be benefitted annually

PARIVAAR EDUCATION SOCIETY

Supported an NGO for the development of schools in remote villages. This organization worked tirelessly to ensure that children from these underserved areas had access to quality education. This assistance will increase student capacity from approximately 200 to 500.

LOGIC CENTRE AND COMMUNITY WELFARE ASSOCIATION MUMBAI

Establishment of a computer lab to meet the educational needs of students enrolled in the study center, providing support to Approx. 250+ students from underprivileged communities.

BORDERLESS WORLD FOUNDATION

In partnership with the NGO, we have installed Digital Smart Classroom Boards and a water system, benefiting Approx. 350 students in the Pre-Primary section.

THE CHILD WELFARE TRUST

We supported the trust in providing transportation to Dhanvantari School, which currently enrolls approximately 110 students in its ongoing educational program. These students come from Bhuj and neighboring villages, spanning a radius of approximately 30 kilometers daily.

VICHARTA SAMUDAY SAMARTHAN MANCH

Supporting a Residential Educational and Vocational Training Campus catering to children from Nomadic, De-Notified, and Marginalized Communities.

It will benefit approximately 1000 students once fully operational.

MALVI EDUCATIONAL AND CHARITABLE TRUST

- Providing support to over 826 students hailing from Tribal areas in South Gujarat. Among them, approximately 57% are girls, with a notable concentration in the higher grades (9th to 12th Std.), and approximately 36% are either orphans or from single-parent households.

VISHWANIDAM PUBLIC CHARITABLE TRUST

Supporting the construction of a school to accommodate Approx. 400 students, including provisions for partial residential facilities to cater to students from the slum areas of Rajkot.

AASTHA FOUNDATION

Enhancing infrastructure in tribal areas of Palghar by supporting the development of village schools, Balwadis, Anganwadis, and Community Halls.

This will benefit approximately 150+ students.

MASOOM

Sponsoring an Evening Learning Centre to support out-of-school dropouts in preparing for and successfully passing their 10th grade exams.

Approximately 40 students benefited from this trust.

VOCATIONAL

*Training & Livelihood
Projects*

NAVASRUSHTI INTERNATIONAL TRUST

Supporting a Vocational Training Program designed to empower vulnerable sections of society by providing them with essential livelihood opportunities. This initiative benefits approximately 47 individuals through computer domain training and approximately 30 Para Nursing training, ensuring they gain valuable skills for sustainable employment and community impact.

VISION INDIA FOUNDATION

Sponsoring a Skill-Based Training Institute to empower women and create sustainable community eye care programs.

This initiative has benefited 50 girls students.

ALL INDIA PLASTIC MANUFACTURERS ASSOCIATION

With the support of the trust, we have successfully upskilled approximately 210 students from economically disadvantaged backgrounds in 3D printing and scanning. These valuable skills are poised to significantly enhance their employment opportunities within the plastics industry, empowering them to contribute meaningfully to their futures and communities alike.

Through compassion and action,
we ignite hope and transform lives.

*Thank
You!*
